Philippa has the **ability** to work **successfully** with **communities** and **local authorities** to deliver **high quality** projects

**Philippa is an experienced consultant with over 15 years' experience in the field of strategic planning and engagement. She has been responsible for a range of planning, engagement and masterplanning work in the UK with extensive experience of public engagement and participation, preparing masterplans, development feasibility studies and regeneration strategies. She is an experienced project manager and regularly assists in brokering relationships between the public and private sector.**

Philippa oversees a number of the growing public sector commissions within IcenI.

Recent project experience includes assisting The Royal Borough of Kensington and Chelsea to engage with communities in North Kensington, supporting engagement work in relation to the preparation of Joint Strategic Plans and preparing a number of masterplans and delivery strategies for key sites in Melton for Melton Borough Council. Her wider experience includes the Leatherhead town centre masterplan and delivery strategy for Mole Valley, the Caterham town Supplementary Planning Document for Tandridge District Council and the Twickenham Area Action Plan for The London Borough of Richmond, all of which are now in the process of being delivered. She has written numerous articles for trade press on the future of town centres and the high street.
